JOB REFERENCE: FLUTTER DEVELOPER

I have One year of internship experience in designing and developing Mobile Applications, I am excited to bring my skills to Luminar Technolab Pvt Ltd, as a Jr Flutter Developer. I am looking forward to help **Technaureus Info Solution Pvt Ltd** to build Mobile Applications for your clients.

During my internship at **DOCTOSMART EDUTECH PVT LTD**, I worked alongside Senior Flutter Developers in Mobile App creation and designing. I also assisted the team in various client works. In addition to my Flutter Developer experience, I am also skilled at , hosting Apps to PlayStore and AppStore.

I have strong foundation in Dart programming language and a keen understanding of object-oriented programming principles, I possess extensive experience in Flutter development. I have successfully developed cross-platform mobile applications using Flutter framework, employing its widget-based architecture and reactive framework to build scalable and performant apps.

I have attached my resume with more information about my education and experiences. Please feel free to contact. I can be reached anytime by phone or email. I look forward to speaking with you soon.

Yours Sincerely

Muhammed Shahanaj
